The Mason LINE

by Chan Mason

Bill Shearer, the young lad who ran a close race for the 77th Assembly District a couple of years ago, dropped us a note the other day. Bill is finishing his tour of duty in the Army in a few weeks and at that time plans to start on a law degree at San Diego State.

We read recently where Einstein has said if he had it to do over again he'd be a plumber. We're sorry you can't do it over again too, Al. Maybe you could invent something to replace that infernal contraption that regulates the flow of water into that unmentionable apparatus in that unmentionable room of the American home. That consarned bulb has caused millions of American males to blow their respective lids on the average of twice a year for generations.

Someone was telling us the other day that he overheard two ladies visiting in front of their trailer homes and swears he heard one say to the other, "Yes, every state is nice to visit, but I wouldn't like to live in any of them."

Those bright and colorful skirts that we see being worn by our Junior High girls were made by their own hands in the Home Economics department at school. The all male school board was given a sewing lesson last Monday evening by Home Economics teacher Mrs. Hughes. The electric sewing machine, once considered a fancy frill, now appears to be almost an essential when we see what really beautiful effects can be produced by our young girls.

We wonder at what age or at what time of life a man first realizes that that old rockin' chair is catching up to him. We thought that perhaps it was when he first heard himself referred to as Pop. Now we're not so sure. Everybody seems to ridicule the old movies, but give us Laurel and Hardy and you can have Ava Gardner and even Marilyn Monroe. M-m-m-m-Well, almost, anyway!

LIGHTS TO BE STRUNG ACROSS BROADWAY AS C OF C PROJECT

An attempt will be made to collect some \$700 from Lemon Grove business people to hang three strings of lights across Broadway in a Chamber of Commerce sponsored Christmas project.

Last year a tree was decorated at Golden at Imperial and publicized as the tallest tree in the U. S. Santa Claus was flown in on a helicopter also as a co-operative project of the La Mesa Helicopter Service, Mayfair Markets, McMahon's Furniture and The Lemon Grove Review.

The Navy's lawyers handle more than 100,000 cases and legal opinions a year.

LETTERS TO THE EDITOR

Mr. Editor

It becomes more apparent as Mr. Armstrong continues his childish correspondence, that at least some of those in favor of incorporation consider it a joke instead of a serious matter that should require sober consideration. I have not graduated from a law school and I do not have a parchment setting forth that I am a member of the Bar. Like the majority of people in Lemon Grove I am just an ordinary person with some common sense and a feeling of responsibility to myself, my family, and to my community. I am not ashamed of the fact that I am a bartender, I am proud of it because I am a good bartender, at least the product I hand out is properly prepared with genuine ingredients, not a slanted version or disguised gags to distract the customers' attention from the article he is interested in.

Mr. Armstrong being chairman of the Board of Trustees of the Lemon Grove School District was bound to get around to his views on the local schools and annexation to San Diego.

In an issue of your paper during the hey-day of blustering by incorporation proponents, an item appeared about the school board passing a resolution in favor of incorporation and I want to quote some of the whereases to refresh memories, a practice resorted to by some of our better attorneys.

Quote. "Whereas, annexation to the City of San Diego would mean that a major portion, but not all, of the Lemon Grove School District would be absorbed as a part of the San Diego Unified School District, and

"Whereas, annexation to the City of San Diego would mean that the area annexed would continue to pay off its present bonded indebtedness and state loan, and would be required to assume its proportionate share of the bonded indebtedness of the San Diego Unified School District, and

"Whereas, annexation to the City of San Diego would mean that the area annexed would be removed from the Grossmont High School District, and

"Whereas, annexation to the City of San Diego would mean that the area annexed would be removed from the Grossmont High School District, and

For the considerable work that went into this thesis, recognition of the assistance of Harry O'Brien, whom O'Malley acknowledges as having aided him, should be given.

that the high school pupils living in the area annexed would not attend Helix High School, and

"Whereas, annexation to the City of San Diego would mean that high school pupils living in the area annexed would attend either Lincoln or Hoover High School, and

"Whereas, annexation to the City of San Diego would mean that pupils living in the area annexed would not be furnished school bus transportation by the San Diego Unified School District, and

"Whereas, annexation to the City of San Diego would mean that pupils requiring transportation must pay bus fare on public vehicles, and Etc. Etc." end of

Lemon Grove's Future is Rosiest, Scott Tells Local Business People

An upward revision of size, and a reduced length of time for starting operations in his five million dollar shopping center on College at Broadway were revealed Friday by George A. Scott at a luncheon speech sponsored by the Lemon Grove Men's Club. His development will get under way early in 1957 on the 62 acre site and will serve 167,000 people who will then populate his primary and secondary markets and whom he says will spend \$7 millions annually in his department store.

LEMON GROVE STILL LAGGING IN SUCCESS DRIVE

Efforts of leaders and campaigners in the Second United Success Drive last week continued to pay community dividends as the totals slowly but steadily climbed to \$1,265,901 for 92.4 per cent of the \$1,370,000 goal.

In this community, the record looked like this: Lemon Grove, under the chairmanship of Robert Sutton, had \$4,820 for 62 per cent of the \$6,626 goal.

Sutton appealed directly to the community to "stand up and be counted in an effort which is vital to this area."

Businesses and residents who have not yet been contacted, or who want to reconsider their contribution and give an additional amount to help meet the goal, are asked to send checks or pledges directly to headquarters at Box 2671, San Diego 12.

INCORPORATION HEARINGS POSTPONED ONE WEEK

The Supervisors Hearing on Incorporation was held up a week by charges of illegality in the publishing of the legal notice.

The Supervisors indicated they would subpoena the publisher of the Review to explain apparent variance between the notices which were published a week apart. Charges are that a section was omitted.

La Mesa-El Cajon Savings and Loan To Open in Grove

Announcement was made this week by John A. Davis, president of La Mesa-El Cajon Savings and Loan Association of the establishment of a Lemon Grove Agency office for the institution.

The Lemon Grove Investment Agency office to be located at 7800 Broadway will be managed by Roy C. Barth, vice president, and will be in operation by the first of the year. Barth is now an officer in the La Mesa main office of La Mesa-El Cajon Savings and Loan Association and for many years was senior examiner for

quote. Now it must be assumed that Mr. Armstrong wrote this masterpiece, at least he approved its wording and content because he voted in favor of it. (The vote was not unanimous.) Why didn't Mr. Armstrong, being the only attorney on the board, refer to his law and code books for facts instead of accepting thoughts and statements from an ignorant source? If he had of taken the time to seek out the truthful facts then the resolution would not have been presented to the board and the embarrassment of voting in favor of such a ridiculous falsehood would have been eliminated. Of course, Mr. Editor, it would have been easy for

GASCO OPENS LEMON GROVE OFFICES

The Gas and Electric Company is opening this week an office for all company services, including bill payments, at 3425 Imperial, two doors south of the Review office.

Bills now being mailed may be paid there, according to E. J. Wright, superintendent of Collection Office for the utility firm. L. G. Drug Co. was formerly bill paying headquarters.

All services including shut-offs and turn-ons, appliance repair, customer service and other functions for which Grove utility users formerly had to go to La Mesa, will be handled through the new Lemon Grove office.

Miss Irene Newman has been named supervisor of the local office.

School Insurance To Be Discussed at Board Meeting

Insurance for the school district will be discussed at the December 6 meeting of the Lemon Grove School trustees next Monday night. Beginning at 7:30 at the Education Center on School Lane, the meeting is open to the public, and all insurance agents or brokers are invited to attend if interested.

This meeting, scheduled for early in the month, will replace the regular fourth Monday meeting which would fall during the holidays. On December 13 the regular second Monday meeting is scheduled.

the California State Banking Department.

Mr. Davis said that this expansion of savings and real estate loan facilities was essential to properly serve the large number of customers who reside in the rapidly growing Lemon Grove area.

you to have checked the truthfulness of the statements and have made an Editor's Note at the end of the article as propaganda, which it was! (Ed's note: Is this?)

In a report on annexation of Lemon Grove to San Diego, made at the request of some proponents of incorporation and then never published for the general information of the community, the following statement was made by Mr. O. K. Cope, Assistant to the City Manager:

"Under present provisions of the State Education Code there is no reason why schools be an issue in annexation proceedings to a city unless at least a substantial portion of the residents within the area in question desire a change. Chapter 855 of the Statutes of 1953 provide a series of amendments to the education code relating to school districts. Among other things, Section 2421.5 was added to provide that territory annexed to a City should not become part of any elementary, high school, junior college, or other school district within the city unless proceedings are completed for annexation of such territory to the city's school district in the manner provided by other sections of the code. With the adoption of this section, it is now possible for unincorporated territories to annex to city and still allow such territories to remain in the school district which served them prior to such annexation. Unless extended, this law will expire on the ninety-first day after the final adjournment of the 1955 General Session of the Legislature. To avoid any misunderstanding in regard to the status of areas annexed to a city during the period this law is in force, the relevant language is quoted verbatim:

"The provisions of this section shall remain in effect until the ninety-first day after the final adjournment of the 1955 General Session of the Legislature except that any territory which was annexed to a city during the effective period of this section but was not included in the school district of the city by reason of the provisions of this section shall not be included in the school district of such city unless proceedings

Real Property Tax Bills Due December 10

Friday, December 10, is the delinquency date for the first installment of the real property taxes, and after that date a 6% penalty must be added to the first installment of taxes remaining unpaid.

If any property owner has not received his real estate tax bill, he should get in touch with the County Tax Collector's office immediately, by telephone (BELmont 9-7561, Extension 441), by letter or by coming personally to the office at 110 Civic Center, San Diego. All bills carrying addresses have been mailed, and it is the property owner's responsibility to see that he obtains a tax bill.

Particular attention is called to the fact that mailed payments must show postmark at point of origin no later than 5 p.m., of December 10, to avoid penalty. Mailed tax remittances should be deposited in the mail boxes or post offices in plenty of time to insure postmark being no later than 5 p.m., of December 10.

The Dimmer VIEW

by Max Goodwin

I am embroiled in the idiotic argument originated by the Mountain Valley Taxpayers Association, Inc., in their proposed attempt of a recall election of Supervisor David Bird for two reasons.

First, whether or not I had been invited in this one, they could count on me to be heard because I know David Bird to be a sincere man, one who has served his district well, and honestly. While Bird and I do not see together on a personal basis, I have found him helpful and co-operative on matters of government and on other matters for which I needed him in the normal pursuit of my duties as collector and disseminator of news and information.

Secondly, I was sent a letter over the name of William J. Miller who identifies himself as chairman of the legal committee for the MVTPA group. He asks me to publicize a public meeting on the Bird recall. The meeting is for December 13, at 7:30 p.m. at the Spring Valley School. In the letter he makes his charges comprising six complaints and asks that I attend the meeting to decide whether to ignore, oppose, or support the recall. That certainly gets me in with both feet.

Before the charges are outlined, I would like to spotlight Mr. Miller, who has advertised himself as a retired general of the British Army. It is this same Mr. Miller whom I have heard from the past two years, ridicule our citizens and duly elected officials. I have attended meetings where this same Miller was in charge.

Against any emergency... a new Red Cross Service Wagon

Local Red Cross workers accepted last week a Motor Service Wagon for use in the Lemon Grove Area.

Shown above, in the presentation ceremony are Mrs. Edmund Gintner, County Motor Service Chairman; Mrs. H. H. Henderson, Motor Chairman for the Lemon Grove Branch; Mrs. Elizabeth Roberts, Branch Chairman; Mrs. Charles Taylor, Branch Secretary

and Charles Gurley, Publicity Chairman for the branch. The wagon was donated by the American Red Cross and is for service in the immediate area.

"It is our Red Cross contribution coming home to roost," said Mrs. Roberts, who has sparked local activities for the past year. "Although the Red Cross works with thousands of people, year in and year out, concrete evi-

dence such as the Service Wagon cannot always be shown. I feel that I speak for Lemon Grove when I say we are grateful for this vehicle, and express hope we never have an emergency need for it."

The service wagon will be housed at the fire station on Central Ave., and members of the fire department have volunteered time for its upkeep.

Lenox Foto

Rev. Phillip Bartlett... Accentuate the positive

Rev. Bartlett is enjoying a renaissance in the United States in general, and in the Episcopal Church in particular, according to Rev. Phillip Bartlett, vicar of the Lemon Grove Episcopal Church.

"Healing of mind, body and soul has always been an important part of the practice of Christianity in most churches from the first century on," Mr. Bartlett said. Such spiritual activity was practiced diligently for the first 600 years of the church's history, he pointed out.

With the United States having become the wealthiest nation of the world, too much faith has

been vested in money, and the things it represents, Rev. Bartlett said.

"We must re-believe in the power of prayer. We can benefit physically in ratio to the depth of our belief," he said. "Thus a return of confidence, peace of mind, hope and faith... all positive thoughts that affect our physical and glandular actions..."

Death of Brookside Youth Points Up Safety Needs

By BOB TURNBULL

Death strikes quickly and without warning! It was never more true than last week! While most of us were enjoying Thanksgiving Day and dinner, playing the role of loyal and true Americans and thanking the good Lord for our blessings; the parents and brothers of Edward Long, a La Mesa junior high school boy who resides in Brookside, had a sorrowful meal steeped in sadness due to their loss of their 12-year-old Edward who was fatally injured by an auto.

Tuesday before last, after leaving his school bus on Highway 94 (in the Brookside area) Edward Long started home, happy and eager. Three hours after debarking from his bus he was dead of head injuries resulting from being struck by a car driven by Christopher S. Dail, 58, of 8780 Golf Dr., Spring Valley, who said he didn't recall his auto striking anything because of a temporary "black out" before the accident.

According to deputy coroner Jesse C. Canale, the boy was walking south toward his home and family on the right hand side of the road near the lawns. Canale said that the car, also southbound, crashed into the young fellow, carried him approximately 77 feet to a lawn at 3650 Fairway Dr. The auto continued onward for about another 70 feet, Canale said, and sidwiped a parked car on the right side of Fairway Dr., then continued another 300 feet before stopping.

A few weeks back, the editor of the REVIEW, in one of his "Dimmer View" columns, warned the people of Lemon Grove that if action was not taken, and taken right away, something disastrous would happen. His prediction was correct to the letter. Due to an overall poor street setup in Brookside, lack of sidewalks, street crossings, stop signs, lights, etc., a human life was snuffed out. If young Edward could have had sidewalks for safety, which he did not, the car might have harmlessly bounced off the curb.

If you live in an area where the roads and streets are substandard, will it take the life of your child to make you and your neighbors wake up to the fact that Lemon Grove is entitled to streets to guarantee a minimum of safety? Will more deaths occur because people won't take the necessary action to obtain safety controls to save lives? This is a serious problem that is worth thinking over and thinking over carefully, then take action.

Emergency Radio Network Safeguards Lemon Grove

There's less to fear if an enemy attack comes to the southwest coast and that's because of a voluntary radio group in Lemon Grove which has taken up the emergency communications problem and offer what they consider a workable plan. They have tied together many local hams and radio enthusiasts and formed a network presently called "The Lemon Grove Emergency Net."

The purpose of this facility is to provide radio communications in the event of an emergency, either local, or national. It is a public service offered by the licensed amateur radio operators of Lemon Grove, and vicinity. The individual members meet the expenses of the operation.

Members pay no dues, and are under no obligation, other than answering the roll call on drill nights. These calls are every Thursday night, at 7:30 p.m., on a frequency of 3815 kilocycles. The average drill call is one hour.

More stations, both fixed and mobile units are needed. Messengers, telephone operators, and typists are also needed to complete this operation. All work is voluntary.

In the future this network will be affiliated with and controlled by the Civil Defense director.

The present location of the net control is at 7316 Broadway, in Lemon Grove. For further information concerning this project, please call HO 6-7290.

ACTIVITIES OF TROOP 334 LISTED

Girl Scout Troop 334 of Monterey Heights has a very active calendar planned for the coming months.

They will collect toys for the Salvation Army, to be picked up Saturday. They also plan to furnish refreshments for the Monterey Heights Neighborhood meeting December 15, assisted by Troop 554. A-caroling they will go on the night of December 21.

Two overnight outings are planned for the spring, Girl Scout Camp Tapawingo on March 6, and Green Valley Falls on May 15.

At their last meeting a surprise was in store. They were served pumpkin pie, made by Nancy Jones, Janice Martin, and their leader, Mrs. Hicks. They are currently working on their pen pal badge, Janice Mitchell having just received an answer from her pen pal in England.

TROOP 552 HOLDS COOK-OUT AT ARDITH'S HOUSE

Girl Scout Troop 552 of Monterey Heights had a cook-out at the home of Ardith Messner, troop secretary-treasurer. This was in conjunction with a hike they will take soon to Encanto Park, their first hike of the year.

his 12th season as musical director and conductor, will be on the podium for the opening concert.

Other concerts are scheduled Jan. 23, when the world famous cello virtuoso, Gregor Piatigorsky, will be guest artist; Feb. 20, an all orchestral program and April 3, with the Greek contralto, Elena Nikolaidi as guest soloist.

Dancin' Dude Notes

By the Square Dance Reporter
Party Night, last week, brought a good attendance to the Dancin' Dudes' regular festive event. A visitor won the door prize which was a fruit cake baked by Florence Blank.

A new policy whereby members may pay by the month has been initiated. The fee is three dollars and takes the place of the weekly dollar payment.

We have been starting late, to the disappointment of many Dancin' Dudes. Pete is always there but the dancers are late. We should get started by 8 and be ready for refreshments at 11.

We were sorry to hear about the death of John Blank's brother in Montana and have missed John while he has been away. He missed his first dance since Dancin' Dudes was formed. Still, he got to visit all of his daughters and their families including a new granddaughter who was born while he was there.

THE SHOW'S THE THING!

Everything from student singers to sky screamers are featured in tonight's movie at the GROVE theater! The student singing part comes from MGM's big love musical in cinemascopia and color titled "Student Prince" starring Ann Blythe and Edmund Purdom with the singing voice of Mario Lanza. It is a wonderful movie with a real touching plot! The companion feature has various sky screamers flown by Dan Duryea and is called "Sky Commando." Dan is amply supported by Francis Gifford!

"Push Over," starring Fred MacMurray and Kim Novak will be the main attraction for Sunday, Monday and Tuesday at the GROVE theater! In this particular film Kim is cast as a cautious but crafty and sultry blonde that has Fred eating out of her hand. It is a suspense type movie that definitely proves how much trouble one can get into over temptation! The co-feature is a slow moving, black-and-white, nothing-to-it film titled "Alaska Seas" and stars Robert Ryan and Jan Sterling.

Hollywood Glances: Lana Turner is getting ready to star in "Diane," a love story in the period of Henry II of France, and plays the power behind the throne, a girl who lasted through two kings. . . . The zaniest name to ever be titled to a Hollywood movie, so far, is "Drift." . . . Jane Powell and Howard Keel are preparing to star in two movies. They are "San Francisco" and "Robin Hood." . . . Mamie Van Doren was recently elected honorary police chief of Universal City. . . . When Marilyn Monroe made the bathtub scene in "The Seven Year Itch" at 20th Century, the gates of the sound stage were locked as Korea's peace talk negotiations!—B. T.

Navy personnel and the Navy's contractors produce more than 1,000 inventions for patents each year.

LEMON GROVE GIRL TO HAVE PART IN OCCIDENTAL COLLEGE PAGEANT

The traditional "Feast of Lights" Christmas service of music, pageantry and symbolism, will be presented with the Occidental College Choir, under the direction of Olaf Frodsham, in Thorne Hall on the campus, Sunday, December 5, at 4:30 p.m.

David Craighead of the music faculty will serve as organist; Janet Bolton of the speech faculty, narrator; and student soloists will be Marilyn Montgomery, soprano, and tenors Stanley Porter and Dimitri Kostov. The public is invited to attend.

Pat Moullisseaux, a sophomore at Occidental majoring in music, will participate in the soprano section. She is the daughter of Mr. and Mrs. E. A. Moullisseaux, 792 Mt. Vernon, Lemon Grove. She is a graduate of Helix High School where she was a member of the California Scholarship Federation and active in music.

NEIGHBORHOOD GROUP SETS SCHEDULE FOR HOLIDAY ACTIVITIES

With 14 Girl Scout and Brownie troops this year, Monterey Heights has a large and active Neighborhood group. Last week they met at Neighborhood Chairman, Mrs. Raymond Johnson's home.

Girl Scouts have been asked to collect old toys which will be picked up and repaired by the Salvation Army. Huge bags were distributed for this purpose.

Christmas Card Chairman, Mrs. Robert Buckner, reported sales of cards, paper and ribbon was proving very successful. This is the only ways and means project the troops will have this year.

The slate of officers for the coming year was presented and will be voted upon at the December meeting. The District X slate was also presented and accepted.

Following the business meeting, Brownie leaders adjourned to Mrs. Buckner's home where each troop's crafts were displayed and new ideas in craft work were exchanged. The Girl Scout leaders remained at Mrs. Johnson's to discuss badge work.

The next meeting will be a Christmas party at the home of Mrs. Buckner, 1496 Skyline Dr., on December 15. Each one attending is asked to bring a small gift to exchange.

SHOPLIFTERS OPEN SEASON IN GROVE

Merchants are quietly warning each other this week that the Christmas rush is on, but it's not retail sales that they're so concerned with at this point. It's the loss of merchandise to shoppers who evidently have too much Christmas zeal, but too little money.

Names of suspects are being turned over to Sheriff Willard Rigley as losses occur. The latest complaint was filed by Tom and Val Papagni who reported the loss of a \$32 Shavemaster razor.

CREATOR CHRISTIAN SCIENCE SERMON

"God the Only Cause and Creator" titles the sermon of the Sunday services in all Christian Science churches. The Golden Text from Genesis (1:1) affirms, "In the beginning God created the heaven and the earth."

Jesus demonstrated that scientific healing rests on the understanding of God's creation. Luke's Gospel (13:11-13) records that when Jesus saw "a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. . . . he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. . . . And immediately she was made straight, and glorified God."

TROOP 96 ATTENDS FAREWELL PARTY FOR JEAN PEELONY

A farewell party for Jean Peelson was held this month by Girl Scout Troop 96. Games, and a lovely barbecue was held in the Peelsons' new home in Fletcher Hills. Attending the barbecue were the Peelson family, Barbara Bandlow, Barbara Malecki, Judy Rank, Sandra Mayo, Jo Ann Lantz, Lois Davy, Celeste Loustalet, Janet Fuller, Charlene Olsen, and Mrs. Charlie Olsen.

The meeting of Troop 96 was held in the home of Janet Fuller. Candy sales was the business of the day.

Reports of the Junior High Planning Board, and the Girl Planning Board were given by Lois Davy, and Jo Ann Lantz. Plans for the future trip to Hollywood were formed.

Refreshments were served by Mrs. Fuller.

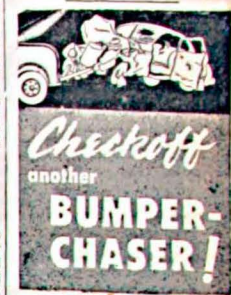

LEE BREWER ASSIGNED AT WHITE SANDS

WHITE SANDS PROVING GROUND, N. M.—Pvt. Lee S. Brewer, son of Mr. and Mrs. John Brewer, 7715 Alton Dr., Lemon Grove, is now serving with the 9577th Technical Service Unit at White Sands Proving Ground, N. M.

Private Brewer, a clerk-typist, entered the Army last June. He was graduated from San Diego Junior College earlier in the year.

GROSSMONT COMMUNITY CONCERT DEFERRED

The Frances Yeend program of the Grossmont Community Concert Association has been deferred to Monday, February 21, it was announced by Hugh Sessions, president of the association. The program had been set for January 10.

Co-Operation, Lots of Work Goes Into B. W. L. Newest Project

By PAT COLE

Many of Lemon Grove business establishments are donating labor and material in erecting the "Child's Playhouse," that's to be raffled off December 24, 3 p.m., under the sponsorship of the Lemon Grove Business Women's League. Proceeds to go for the developing and maintenance of the area around the railroad tracks. In the near future Lemon Grove citizens will see the first of the plans proposed by the Business Women's beautification committee. About 375 feet of sprinkling system will be installed and new lawn planted. Husbands of members of the B. W. L. are doing all the work on this project. Those participating are Bruno Leonasio, Pete Chappell, Fred Scheneman, Al Huebsch and Jack Sanders.

The beautiful drawing that may be seen in various stores throughout Lemon Grove, was

"So this is the thanks I get for surprising you with a new tractor on your birthday."

drawn by a local architect, Al Drew. The plans for the playhouse were taken from the original built by Todd Chaffee for his niece, who lives with her family on Olive St., in Lemon Grove.

Art Chappell and Alex Antoinette, local contractors, donated many hours in building the playhouse, and it is near completion.

Al Cole, of Cole's Cabinet and Builder's Supply, drew the plans and is furnishing cabinets and garage doors. Tony Sonka is furnishing the front door. Other businesses donating time and material are:

Russell's Plumbing, Paint, La Mesa Floor Fashions, Linoleum, venetian blinds.

Lemon Grove Electric, Wiring and materials.

Lemon Grove Sheet Metal, Plant box, rain gutters.

Ralph L. Long Co., Louvre windows.

Hunter's Nursery, Plants.

Artcraft Signs, Posters, signs.

Photos of Playhouse, Hal Lennox.

Lemon Grove Hardware, Hardware.

Sullivan Lumber Co., Outside Shingles.

Lemon Grove Pharmacy, Painting.

Mac McCrary is also doing inside and outside painting.

Lemon Grove Review, Max Goodwin, Publicity.

Through the sale of tickets only can the dream be realized of completely landscaping the whole area around the railroad tracks from Central Ave., north, to North Ave. Every citizen of Lemon Grove should have a civic pride in their town and get behind this project by purchasing tickets on the "Playhouse."

After 30 years... a rest
SAN DIEGO—Marine Commissioned Warrant Officer Charles

A. Hyman of 1920 Ensenada St., Lemon Grove, was honored Tuesday with a ceremonial parade and review at the Marine Corps Recruit Depot upon his retirement from the Corps with 30 years service.

The traditional parade is accorded Marines upon retirement. More than 2,000 Marines marched in the parade which was open to the general public.

Warrant Officer Hyman was a prominent Marine Corps athlete in his early years in the service. He was a member of the All-Marine baseball team of 1930. His overseas tours included duty with the 4th Marines at Shanghai, China, from 1936 to 1940, and in World War II he served with the Ninth Defense Battalion in the Pacific.

Following his retirement, CWO Hyman and his wife, Lillian Marie, will live at their Lemon Grove address.

Clyde Giraldo, Oakland publicist—"In spite of the high cost of living, it's worth it."

FATHER WINS MOTHERLESS TOT

WINNING CUSTODY of motherless infant daughter from millionaire in-laws, Patino tin family, James Goldsmith is reunited in Paris with 4-months-old Isabelle. His wife, daughter of fabulously wealthy Antenor Patino, died in childbirth. (International)

Edens Operating Broadway Electric

The Broadway Electric is now being operated by Mr. and Mrs. B. F. Edens, residents of San Diego County for 35 years and Lemon Grove residents for eight years.

The firm, located at 7918 1/2 Broadway, specializes in lighting fixtures and was the location of another electrical firm, Holford's, which went bankrupt.

Edens is a retired U. S. Navy Chief Electrician.

Delphian Society to Meet Again Tuesday

The Alpha Beta Chi Chapter of Delphian Society will meet Tuesday at 10 a.m., December 7, at Hilltop Chateau, Lemon Grove. Topic for discussion will be "Labor and the Nation" led by Mrs. F. D. Bascom. Opening discussions will be: Mmes. Dan Apt, E. A. Uhler, O. A. Patterson, W. A. Thomas and Miss Rosalie Winkler. Mrs. Milton Kelley, president, will conduct the regular business of the chapter.

Dr. Rust to Speak At Grossmont Advisory Meeting

Dr. W. C. Rust, president of Cal-Western College, will be speaker at the Grossmont Citizens' Advisory Committee Monday at 7:30 in the Little Theatre at Helix High.

Dr. Rust has recently returned from a 9000 mile speaking tour through the South and Middle West. He is a forceful and dynamic speaker and his talks are well seasoned with wit and humor. An ordained minister, he has taught on the college level at the University of Southern California and at Denver University. Members are urged to bring guests interested in school problems.

There will also be a report by the Adult Education Committee and a further report by the Facilities Committee.

Study sub-committees already formed and manned are as follows:

School Finance Committee: Warren Hooper, Daphne Ekis, J. E. Prendegast, Troy Reese, Milton Parfet, Betty Risenger, Herbert Sharp.

School Facilities Committee: Carlton Conaway, Earl Freeland, Charles Goode, Mrs. Howard Johnson, Frank Giolitti, Gilbert R. Ray, Helen Baxter, Forrest Baxter, Mary Jane Conaway.

District Organization Committee: C. M. Lafoon, Frances Greenleaf, Russell Johnson, Nina Ray, Mrs. Charles Brown, Frances Morgan.

Jr. College and Vocational Training: Merle Brady, Wilbur Bradley, Robert Carlton, Virginia Clapp, Donald Taylor, W. D. Beasley.

Academy Courses: Clara Christensen, Shirley Carlson, Mary Howard, Dr. C. St. John, Marjorie Wallace.

Adult Education: Jack Wilson, Alfred Cola, Donovan Ellis, Mimi Levikov, Walter Wood, Anthony Spinnazzola.

TRINITY CHURCH IS SCOUT HEADQUARTERS

Trinity Presbyterian Church is the meeting place every Tuesday evening at 7:30 p.m. for Boy Scout Troop No. 171. Each Wednesday afternoon at 2:30 finds the Girl Scouts meeting in Fellowship Hall, and on Thursday the Brownies meet at 1:30 p.m. Every Third Friday of the month the Cub Scouts entertain their parents at 7:30 in the evening.

Dr. Generales to Address A.A. of U.W.

Dr. Mino D. Generales, Assistant Professor of Political Science at San Diego State College, will speak Tuesday at 1:30 p.m. at a meeting of the International Relations Section of the American Association of University Women, according to Miss Gertrude Evans, program chairman. The meeting will be held at the AAUW clubhouse at Juniper and Front Sts.

Dr. Generales' topic will be "European Trends." He has degrees in law and political science, including six years of graduate study at the University of Athens, University of Paris Law School and Institute of International Studies. He has recently spent a year in Europe as a Ford Foundation grantee.

SECOND-THIRD GRADERS PLANNING TRIP TO POINT LOMA

Mrs. Nancy Tuthill's second and third graders at Golden Avenue School are planning a trip to Point Loma in the near future. On this excursion the children will have an opportunity to see and study the San Diego harbor, which they are at present discussing in class. Upon return, the group will build a miniature harbor at school.

Carl Stewart, grandson of the local seismologist here, has been sharing with the class his experiences in using and examining equipment used by his grandfather in recording earthquakes. The class studied causes of earthquakes, clouds, and rain.

PEG DARROCH OFF ON ANOTHER JAUNT

Peg Darroch of the Lemon Grove School District will attend the State Council meeting of the California Teachers Association this weekend, December 3 and 4, at the Ambassador Hotel in Los Angeles. One of two annual meetings of the Council, this gathering of representatives from the entire state will deal with important questions to be presented to the 1955 legislature. Tenure and retirement discussions will be listed frequently on the agenda. Other matters to be considered are the establishment of a state-wide ethics commission, the purchase of a new building site in San Francisco, and the clarification of credit union activities.

DEMO CLUB TO DISCUSS FUTURE AT FRIDAY MEETING

"Where Do We Go From Here?" will be discussed at a meeting of the Homeland Democratic Club to be held at the Golden Avenue School, Friday at 8 p.m., according to Bert A. Betts, president. Future plans for the group, which includes members from Lemon Grove and Spring Valley, will be made at this meeting, a major project being the election of new officers.

As this will be the first meeting since the election, more time will be given to this still-timely topic.

Members and all other interested citizens are invited to attend. Refreshments will be served. No charge.

O.E.S. TO MEET WEDNESDAY

San Miguel Chapter No. 579, Order of Eastern Star, will hold stated meeting Wednesday, December 8, at 8 p.m., in Friendship Hall.

First meeting with new officers, Mrs. John Vogel, Worthy Matron, and Mr. John Vogel, Worthy Patron, presiding.

LETTERS TO THE EDITOR

continued from page 1
ings are had and completed for the annexation or inclusion of such territory to the school district in the manner provided elsewhere in this code."

"In view of the foregoing, variations in boundaries between a tract annexed to the city and any existing school district need not be cause for concern. In passing it might be pointed out that the present boundaries of the City of San Diego and the San Diego Unified School District are not continuous. Any change in school districts would be a matter to be resolved by Lemon Grove residents and the school districts concerned."

And still Mr. Armstrong is harping about the fate of our school in the event of annexation to San Diego. Even a legal hack should be able to realize that to annex to the City of San Diego would require a simple majority at an election. To annex to the San Diego Unified School District would require a two-thirds majority on a separate school system could be changed would be by a two-thirds of the voters wanting it to be changed.

Mr. Armstrong states, "five members of the city council will be elected by the people and no one knows yet who will be a candidate. Incidentally, councilmen will not receive compensation."

I have taken your advice, Mr. Editor, given in a recent ranting in your Dimmer View column, and have gone to the horse's mouth when factual information is wanted. La Mesa is an incorporated city of the sixth class with a city manager type of government and five councilmen. When questioned about councilmen's salary, I was told that the council has the legal right to establish their own compensation and that they also have the right to establish compensation for members of the planning commission, recreation commission, etc. Now when Mr. Armstrong states that the councilmen in Lemon Grove will receive no salary, does he mean that the candidates have already got their heads together and decided before they have the legal right to decide that they will receive no compensation? If they have decided that for the sake of propaganda then it is quite possible that they have decided other things too.

Yes, Mr. Armstrong, if there must be a change made in our community then I am in favor of annexation to the City of San Diego!

Everything favorable you say about incorporation can be more favorably said about annexation to San Diego.

Police protection, fire protection, zoning against swine, if you please, street improvement and maintenance, adequate sewers (not included in any of the incorporation plans) clean, clear water that will run out of a faucet, not drip out. All of these items can be had more efficiently at less cost and without local favoritism by pressure groups, through annexation to the City of San Diego.

The chief cry of those in favor of incorporation appears to be—WE want to make our own decisions. WE want to spend our own money (and others' too) as we see fit. WE want to let those who WE want to have swine, have swine. WE want to regulate fines and traffic violation (65,000.00 in proposed budget, 20,000.00 collected in La Mesa) and keep automobiles off of our streets and people out of our places of business. WE want to be able to argue about things to be done among ourselves. (The success of this plan is clearly shown in our Chamber of Commerce.)

Yours very truly,
Red O'Malley

Rev. Bartlett Sees Faith
Continued from page 1
will heal many of our ills. Fear, hate, insecurity, and the like are negative thoughts and add to human ills and misery."

A feeling of self-sufficiency, based on material things has resulted in a false sense of security. How false is this security is indicated by the amount of knowledge that comes with the revelation of more and more secrets of man's ability, and willingness to destroy.

More and more people are finding that they cannot solve these problems. Facing total extinction by such discoveries as atomic and hydrogen power the human mind necessarily turns into avenues of things that may be labeled "peaceful." That is where intense prayer and belief becomes a healing source.

At the Episcopal Church the Ministry of Healing forms a part of the celebration of the Christian

tion, who have been and are successful in their own business or profession, and whose only desire is to see that we receive the best government possible for the good of all the people in the community, to run for city council.

Mr. Editor, I want to close this letter with this thought for Mr. Armstrong. In a survey conducted by the legal profession, it was found that more people sought legal advice from bartenders than they did from attorneys.

Mr. Armstrong continues to badger me about so called ghost writers. Well, I get my thoughts from talking to the people on the streets, in the stores, in the offices, clerks, business men, professional men, my neighbors, your neighbors if your please, and after pondering on these thoughts seriously, put them down on paper with the help of my son who is in State College.

Now Mr. Armstrong has a new ghost writer for me. "That fellow who is getting out a report on annexation, status quo, and incorporation." I believe that it is common knowledge in the community that the Lemon Grove Rotary Club has undertaken, as a community service, the preparation and distribution of a factual study of all the avenues that are available to this community for its government. This study is soon to be released and will, I am told, make no recommendations but will set out the facts as they are or will be, and leaves the decision to the voter to make for himself.

Mr. Armstrong flatters me when he infers that I might be aligned with this group, which I am not.

It was interesting to note the intention of one George Lenox to file his candidacy for City Councilman. Is this Lenox the father of the Lenox that is employed by your paper as a photographer?

As soon as it becomes definite that an election will be held, I assure you that I will have several local men who have no axes to grind, no political ambitions, who have taken no active part either for or against incorporation.

Service of Holy Communion, Rev. Bartlett pointed out. This is not restricted to the Episcopal Church, he added.

"The Episcopal Church, however, is taking leadership in restoring the healing service of "laying on of hands" and the renaissance has been intensified by the widening need of basic religion among American people.

On Wednesday morning at 9:30 the Christian Ministry of Healing will be incorporated into the mid-week service of Holy Communion at St. Philip's, beginning December 1. All those who have a sincere desire to learn more about this little used Sacrament of the Church are invited to inquire of the Rev. J. Phillip Bartlett.

IRENE POTTER WINS THE TURKEY AT NOSART'S

Irene Potter who lives on Parr Dr., was the winner of the turkey given prior to Thanksgiving by Ernie Nosari, who operates a market at 8290 Imperial.

Prize was given on basis of lucky ticket holder. No purchase was necessary. The turkey was eaten, as you might have surmised, on the holiday.

MARKET OPERATOR HOSPITALIZED

Ernie Nosari, operator of a market at 8290 Imperial Ave., is recuperating in the Chula Vista Hospital where he was taken November 21.

GIRL SCOUTS TO COLLECT TOYS SATURDAY, DEC. 4

Collection day for the Girl Scout toy bags, which were delivered last weekend throughout San Diego County by 12,000 Girl Scouts, has been set for Saturday, it is announced by Col. William Sansom, manager of the Salvation Army Men's Social Service Center in San Diego where the toys will be repaired and made ready for distribution to needy children at Christmas time.

The Girl Scout toy collection campaign is a feature of National Salvation Army Week which concludes Sunday. The public is invited to visit Salvation Army agencies throughout the week, particularly the Toy Center Shop in San Diego.

In addition to toys, articles of clothing and household furniture and furnishings are being sought. Renovation of the articles will provide employment for aged, handicapped and veterans during the Christmas season, Sansom said. Contributions too heavy for the Girl Scouts to handle will be picked up by Salvation Army trucks.

TEACHER SICK BUT REPLACEMENT IS GOTTEN

Mrs. Mary Ann Snyder, third grade teacher at Golden Avenue School, has been confined to her home in San Diego because of illness. In her teaching position Mrs. Faye Stowers, former teacher here. Mrs. Snyder hopes to return to her duties after the first of the year.

shoestring—others take a good
lacing.

Marriage is often a leap in the
dark by the light of the moon.

Bath towels marked "His" and
"Hers" have been sold for years.
Now they're making them for the
whole damp family.

If a salesman was the big gun
he thinks he is the boss would
get a better report.

If a woman misses her hus-
band at dinner time her aim
should be better.

When you look at your picture
and wonder if you really look so
badly, the answer is in the nega-
tive.

Strip poker is the game in
which the more you lose the more
you have to show for it.

Think of the disappointment of
the man whose wife misunder-
stood him and brought home a
quart of lacquer.

The worker with a fixed in-
come usually finds he can't bud-

get.
Many women on a diet are
waiting for hips that never grow
thin.

The woman who buys her per-
fume at the ten-cent store has a
lot of common scents.

Sex may be nothing new, but
to the author of a best seller it's
a novel idea.

Many a misstep has started with
a little trip.

A guy is looking for trouble
when he calls you son and adds a
few words to it.

Then there is gal who goes
with two guys named Edward.
She figures two Eds are better
than one.

GROVE FUTURE BRIGHT
continued from page 1
who can see them, Scott said.

Faith is Shared
"Many business people share
that faith with me," Scott said.
"We already have 141 written re-
quests for locations in the new
center, seven are from Lemon
Grove business people. We have
raised our sights and increased
the floor space for our store from
100,000 to 150,000 square feet. We
increased the overall size from
350,000 to 1 million square feet
using 47 of the 62 acres available
for development. Parking for
2800 cars is in the plans.

"We intend to add to the com-
munity resources rather than to
take away," Scott said. "We plan
a chapel because God has a place
in all important undertakings. We
plan a meeting place for use of
the community we serve, and
ourselves," he said.

Scott also revealed that 11 San
Diegos, and one outsider had re-
quested a part in the corporation
which was investing in the proj-
ect. "The corporation is named
Vista Le Mon Corp. an awful
corruption of Lemon," he chuck-
led.

"We agreed to pay \$220,000 for
the land, and I owe for part of
it. However, our corporation
members will put up \$700,000.00
so you can see that it can readily
be made free and clear. We plan
to spend \$270,000 to level the
property and will have \$693,000
invested by the time we get ready
to erect the building.

"We are acquiring commit-
ments of \$4 million via insurance
firms, so you can see there is
ample concrete evidence of faith
in the business virility of this
area," he said.

To Remain in School District
Scott also told the enthralled
audience that he did not intend
to remove the property from the
Lemon Grove Elementary School
District. Byron Netzel, superin-
tendent of schools, had posed the
question in a question-and-an-
swer period which followed
Scott's talk. "We're giving over-
to the city already," Scott said.

The project is already in the
corporate limits of the city of
San Diego but has not been with-
drawn from the school district.
This could be done, Netzel said,
by a simple request should Scott
so desire. Frank Armstrong,
school board chairman, said that
Scott's decision would reduce in-
dividual school taxes once the
improvement got on the tax rolls.

The opportunities seen by Scott
and his associates are faced by
every other Lemon Grove busi-
nessman, Scott said. The market
is already here and smaller mer-
chants should not allow the con-
sumer of that market to shop
anywhere outside Lemon Grove.

He opined that his program
would attract shoppers to the
Grove area. A better job of sell-
ing is the protection against any
competition, he added.

Scott also stated that he was
one of a group involved in the
enlargement of the San Diego
plaza coupled with the building
of an auditorium.

Judge Luther Hussey presided
at the meeting. Max Goodwin
conducted the program. A movie,
C St. Just one month after the
Armistice ending the first World
War. She has been a member of
the department's local clerical

force since.

Mrs. Kettle recalls she was ac-
tive in several large projects that
brought dial service to the down-
town area in 1926 and 1927. At
the time of her retirement, she
was assigned to the office at 629
University Ave.

She and her husband, Claude,
always have been enthusiasts of
outdoor camping. They have an
outboard motorboat, which they
use mostly when fishing on a
number of lakes.

They plan several short vaca-
tion trips, and then will return
home. She is a member of the
Mission Bay Yacht Club, the San
Diego Athletic Club, the Los
Senderos Club, and the Tele-
phone Pioneers of America.

The Music Parents Club of the
Lemon Grove School District will
meet in the music room of the
Junior High on Monday, Decem-
ber 6, at 7:30 p.m. Christmas car-
ols will be sung by the Girls'
Double Trio.

This organization's activities in
the past years are worthy of note.
They have provided the snappy
green and gold uniforms for the
band. They have purchased band
instruments among which the the
bell lyre is the most recent. Each
year pictures of the band, orches-
tra and glee clubs are paid for
by the club and hung in the mu-
sic room as a pictorial record for
students who have participated in
these musical activities. Near the
close of each school year an an-
nual award dinner is conducted
by the club during which awards
are presented to those eighth
graders who are leaving the
school and who have been out-
standing in their musical achieve-
ments.

Another activity of this club is
to assist in the preparations for
the Christmas pageant which is
to be held this year on December
15 and 16. There is a great amount
of planning and work put into
this annual event and the assist-
ance of the Music Parents Club
contributes a great deal toward
making this event both a success
and one which teachers, children,
and parents are proud to present
to the community.

TODAY'S meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read John 4:9-15
Sir, give me this water, that I
thirst not. (John 4:15.)

One summer morning some
people went hunting. The day
became hotter and hotter. Their
supply of drinking water was
soon used. More was needed but
none could be found. Later in the
day a family passed that way.
They gave of their supply to
quench the hunters' thirst. That
day the hunters learned that man
cannot survive without water.

The state of man is tragic with-
out Christ. The soul is dead un-
less it gains freedom that comes
through Him. The soul's progress
comes through Him. Without
Christ we are nothing.

As the light of the world, Jesus
is the source of life, knowledge,
inspiration, and joy. As the door
He is the entrance into salva-
tion and the realm of God. As

the good shepherd, He is the con-
stant companion, provider, guide,
and defender. As the bread of
life, He is strength, growth, and
virtue in all good activities. As
the true vine, He is the divine
supporter of the Church. It is
through communion with Him
that we are daily endowed with
love, joy, and peace. He is the
resurrection and the life. From
His fullness we all receive grace.

PRAYER

Our heavenly Father, we come
to Thee because we have faith
that we can obtain from Thee
complete satisfaction for all our
needs. Give us spiritual light that
we may know Thee. Be Thou the
light for our darkness. In Jesus'
name. Amen.

THOUGHT FOR THE DAY
In Christ we are complete.
Robert Elphick (Chile)

**MORE OF "YOU"
THAN "WONDERFUL"**

Here's a little puzzle for you!
What one word is heard more
often on radio commercials than
any other? Better think twice
before answering—because de-
spite your opinion of an announcer's
ego, it isn't "I."

According to a survey in the
American Peoples Encyclopedia's
1954 Yearbook, "you" appeared
2,400 times in the 300 commec-
cial studies.

"Wonderful," which many per-
sons might choose for first place,
ran a surprisingly poor second—
only 167 uses. After these came
"new," "good," "better," "fine,"
"effective," "natural," "big,"
"fast," "finest," "great," "effi-
cient," "nice," and "favorite."

Another interesting thing along
the same line, is how many new
words and phrases crept into ev-
eryday usage last year. For ex-
ample, the Korean War brought
such contributions as "don't panic,"
meaning "relax" or "take it
easy," and "to have had it,"
meaning "to be defeated" or
"worn out."

Radio and television brought
words like "color-cast," meaning
a television program shown in
color, and "simulcast," meaning
a show that was on both radio
and television at the same time.
Hairdressers popularized "Italian
haircuts," and the "coronet
braids."

And last, but far from least,
let's not forget our teenagers and
the be-bop craze which have giv-
ing us new and mysterious mean-
ings to old words such as "cool,"
"racy," "dig," and "gone."

**STATE SCHEDULES
ENTOMOLOGIST EXAM**
Two entomologists will be
sited by the State Department
of Agriculture in Southern Cali-
fornia following a civil service
examination January 8, the State
Personnel Board announced to-
day. Positions exist throughout
the state and will be filled as
vacancies occur.

Applications for the jobs, which
pay \$325 to start with periodic
raises to \$376, are now being ac-
cepted.

The positions will be filled
from an eligible list consisting of
names of applicants successfully

Needs Test Re-timed?
See Barker HO 9-4575

completing the examination, the
board explained. Other success-
ful candidates will be made em-
ployment offers as vacancies oc-
cur.

To qualify for the examination,
applicants must be college gradu-
ates with major work in zoologi-
cal sciences and specialization in
entomology. Senior students will
be admitted to the examination
but must produce evidence of
graduation before they can be
considered eligible for appoint-
ment.

Actual working experience as
an entomologist may be substi-
tuted for the required education
on a year-for-year basis, the
board added.

Application forms may be ob-
tained at the Department of Em-
ployment on Columbia Street in
San Diego.

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES CLASSIFICATION

(Lemon Grove Zoning District)
NOTICE IS HEREBY GIVEN
that the Board of Supervisors of
the County of San Diego will hold
a hearing on Tuesday, December
14, 1954, at 2:30 p. m., in Room
310 San Diego City and County
Administration Building, Civic
Center, San Diego, California, on
the application of Louis Roman
for an amendment to The Zoning
Ordinance (County Ordinance
No. 1402 (New Series)) to change
the zone classification of the fol-
lowing-described property within
District No. 12, Lemon Grove
Section, San Diego County, from
an R-2-A zone to a C-2 zone:

Portion of Lot 16 of Subdivi-
sion No. 3 of Lot 1 of Rancho
Mission of San Diego, lying
northerly of Federal Bou-
levard and easterly of Col-
lege Avenue, as more particu-
larly described in said ap-
plication, and areas adjacent
thereto.

The County Planning Commis-
sion, after making the investiga-
tion and holding the hearing re-
quired by law, has recommended
that said application be denied.
For further details reference is
hereby made to the application
and the recommendation of the
County Planning Commission,
which are on file in the office of
the Clerk of the Board of Super-
visors, Room 308 of said San Diego
City and County Administra-
tion Building.

R. B. JAMES
County Clerk and ex-officio
Clerk of the Board of Super-
visors
By J. Miller, Deputy
L. G. Review, Dec. 2, 1954

AREA NO. 29—R. I. D. 6002 MAIN STREET ET AL, LEMON GROVE

Assessment No. 43
NOTICE OF FILING OF
ASSESSMENT AND OF
TIME OF HEARING
TO ALL PERSONS

Dated: November 28, 1954.

NOTICE IS HEREBY GIVEN
That the Superintendent of
Streets of the County of San Diego
has filed with the Clerk of the
Board of Supervisors of said
County an assessment to cover
the sum due for the work per-
formed and specified in the con-
tract, including all incidental ex-
penses for the construction of
sidewalks and curbs in Main
Street and Central Avenue,
in the vicinity of Lemon Grove,
in a portion of the unincor-
porated area of the County of
San Diego, Area No. 29, all as
more fully set forth in the Resolu-
tion of Intention adopted on the
9th day of June, 1954, by the
Board of Supervisors of the Coun-
ty of San Diego, to which refer-
ence is hereby made;

That on the 21st day of Decem-
ber, 1954, at 11:30 o'clock a. m.,
in the Board of Supervisors' chamber
in the City and County
Administration Building, 1600
Pacific Highway, in the City of
San Diego, California, all persons
interested in said work or said
assessment will be heard by the
Board of Supervisors of the Coun-
ty of San Diego. Any person feel-
ing aggrieved by any act or de-
termination of said Superintendent
of Streets in relation to said
work or assessment, or who
claims that the work has not been
performed according to the con-
tract, or who claims that any por-
tion of the work was omitted or
illegally included in the contract,
or having any objection to the
correctness of the assessment or
to the manner or other act, determi-
nation or proceedings of said Super-
intendent of Streets shall prior to
said time appear to the Board of
Supervisors of the County of San
Diego by briefly stating in writ-
ing the grounds of appeal.

Maria Nieland, Clerk of the
Board of Supervisors
Room 308 (Civic Center)
San Diego, California
L. G. Review, Dec. 2 & 9, 1954

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES CLASSIFICATION

Building Contract Documents

Advertisement for Bids

Notice is hereby given, That
the Lemon Grove School District,
Lemon Grove, California, acting
by and through its Board of
Trustees hereinafter referred to
as the "Owner," will receive up
to but not later than 8:00 P.M.
on the 16th day of December,
1954, sealed bids for the award
of a contract for the furnishing
of all labor, materials, tools, ex-
pendable equipment, and all utility
and transportation services
necessary for the construction of
ADDITIONS TO LEMON GROVE
INTERMEDIATE SCHOOL, lo-
cated on Portions of Lots 10 and
17, Sub-Division No. 2 of Lot 12,
Rancho Mission, Lemon Grove,
County of San Diego, State of
California.

Bids shall be opened and pub-
licly read aloud at the above
stated time in the office of the
District Superintendent of
Schools, 8025 Lincoln Street,
Lemon Grove, California.

Each bid must conform and be
responsive to this invitation, the
Information for Bidders, the
Plans, Specifications, and all
other Documents comprising the
pertinent Contract Documents.
Copies of the Contract Docu-
ments are now on file and open
to public inspection in the office
of the Architect, Sam W. Hamill,
403 Scripps Building, San Diego
1, California, and may be ob-
tained by depositing \$25.00 for
each set. This deposit will be re-
funded if the set or sets of Con-
tract Documents delivered are re-
turned in good condition within
ten (10) days after the bid open-
ing.

Each bid shall be accompanied
by a certified or cashier's check
payable to the Owner, or a satis-
factory bid bond in favor of the
Owner executed by the Bidder
as Principal and a satisfactory
Surety Company as Surety, in an
amount not less than five (5%)
percent of the maximum amount
of the bid. The check or bid bond
shall be given as a guarantee that
the Bidder shall execute the con-
tract if it be awarded to him in
conformity with the Contract
Documents and shall provide the
surety bond or bonds as specified
therein within five days after
notification of the award of the
contract to the Bidder.

The Owner reserves the privi-
lege of rejecting any or all bids,
or to waive any irregularities or
informalities in any bid or in the
bidding. Preference will be made
in the award for California made
supplies, pursuant to Sections
4330 to 4334 inclusive, Govern-
ment Code.

There shall be paid each laborer
or mechanic of the Contractor
or subcontractor engaged in work
on the project under this contract
in the trade or occupation listed
below, not less than the hourly
wage rate opposite the same, re-
gardless of any contractual rela-
tionship which may be alleged to
exist between the contractor or
any subcontract and such labor-
ers and mechanics.

ST. JOHN BROWNIES MARK SECOND ANNIVERSARY
The Brownies of St. John's of the Cross, Troop 376, had their second birthday party. Patrol Number One was the hostess. The

girls in the group are Delia Baines, Norman Compton, Carol Perkins, Judy Van Hogan, Georgia Thorton, Rosemary Ferry, Sharon Fitzgerald, and Peggy Cunningham.

The girls enjoyed making the cake at the home of Norman Compton. Dorothy Cadwell was initiated into the Brownies. Refreshments were served and games were played.

Sportfacts . . . There was a three-way tie for a scoring leader in conference games in the Metro League. Bonilla (Helix), Jordan (Helix) and McClean (C.V.) each had a total of 30 points racked up. In all games played Jordan (H) was the number one scorer of the league, having chalked up a bruising 49 points to his credit. Bonilla and McClean were a close second with 48. . . . Congrats to the Helix varsity harriers who out-panted San Diego High, 17-40. Our first place long distance greyhounds were Harvey Good,

John Morow, Gary Trushinski and Dick Herbert, who finished in that order. . . . A quick reminder: Mar Vista will be a regular member of the Avocado loop, as of next fall. . . . I would like to urge all the parents, supporters and backers of the various Helix athletic squads to attend the freshman and JV games as well as the varsity. . . . San Diego JC wound up a successful year in football tied with East L.A. J.C. in third spot. . . . It's official that the Buckeyes and the Trojans will battle it out in the annual Rose Bowl classic. I predict that the Southern California mighties will upset Ohio by the score of 20-14. . . . Following the Helix-Grossmont game, Ed Dobis, Helix' standout guard, received honorable mention for "Lineman of the Week," as Karl Jordan, Helix fullback, was mentioned for "Back of the Week." . . . Helix' varsity harriers closed this season with an impressive 7-3 record. . . . Helix' junior varsity '11' romped over Grossmont's JV squad by the lopsided margin of 46-61.

Truthful Gossip . . . Fred Wea- ver and Marla Fackrell are two of the members in the newly formed JC pep band. . . . Under the direction of Benton Minor, Grossmont's marching band consists of 91 members to Helix's 90, under the direction of Dan Lewis. Janet Thompson and Judy Pratt are the drum majorettes of Grossmont and Helix, respectively. . . . Deadline for the Tartan sales is December 10. Be sure to get your \$1.00 down payment to your second period representative. . . . Congrats to Defoe Miller for winning first place and ten bucks in the Annual Helix Library Book Drive. . . . The new El Cajon Valley high school is 40 per cent completed. . . . Martin Small was recently elected president of the newly organized JC chess club. . . . Rumored: that next year's homecoming queen for Helix will be a girl; that Marilyn Hawkins is JC's answer to "Miss 44"; that Tom Welbaum has been sought for a replacement for Ralph Guglielmi of the Irish!

Quips . . . In July Lemon Grove led the county as construction leader. It looks like a safe bet to say they'll repeat this month. . . . Some sections of Arizona have the wierdest teenagers. They seem to go wild over buck saddle oxfords in shocking pink or charcoal grey. . . . Death is a five letter word, so is speed. Life is a four letter word, so is slow. . . . Song Sense: "Chapel in the Moonlight" for those who stayed up and studied for mid-term exams. "Slowly I'm Falling" for the boys who lean over the bleacher rails. "Sh-Boom" overheard in chemistry. . . . On December third (Friday) the Helix P.T.A. will present a Choir Christmas Concert. . . . December fifth (Sunday) will see a Helix-Grossmont Christmas Festival at 3 p.m. on Mt. Helix!

Dance-Time . . . was held at Mission Beach Ballroom last Saturday and Thursday night. Saturday night Betty Hernandez, Lois Laehr and Jim Barrow, Diane Tweed and Bob Turnbull, Dick Conde, Tom Sage, Judy W. Kenyon and Dud Cauble, Frae Harris and Clariette Sawyer danced to the nation's number one dance band, Ray Anthony, by name. Then on Thursday Ann Engfelt, Betty Hernandez, Virginia Pearson and Bob Turnbull, Joe Kucola, Monte Rose, Dave Crawford, Rick Lankford, Lanny Ross, Barbara Westlund and Buddy Davis, Paul Angelo, Ronnie Hamilton and Bolivar Shagnasty did a toe-beel routine to the modern dance band conducted by Mr. Jerry Fielding.

The Navy cares for almost 18,000 patients a day in 29 hospitals.

MAYFAIR Blushes - But Accepts Your Compliments

Rita Ann Caulder, 841 Billow Street, is one of Mayfair's many "faithful" patrons. Her husband, Bill, is a furniture salesman, and like any good salesman, he knows value when he sees it. "Bill says Mayfair has the best selection at the best prices," Mrs. Caulder reported. "That's why we buy practically everything we need at the Lemon Grove Mayfair."

She is pictured with David, her 3 1/2 year old son.

It used to be the popular custom for markets to hang signs saying "The bank agreed not to sell groceries, and we agreed not to cash checks."

That has all changed. Banks, as well as our patrons, appreciate the extra effort we extend to accomodate local shoppers. "Just another service to keep local shoppers local," says Hugh Maguire, 2824 Dale St., our check cashing cashier.

Along the line of pleasant personnel, here's Jo Ann Dawson, 1809 Tilden, a regular employee who holds the classification of "checker". Her job is to see that the things you want are where you want them in sufficient quantities to make your shopping trip a pleasure.

One look at Miss Dawson, and you know immediately that she's happy with her job, and pleased to be able to help you.

JOHN, Joseph Gasky, 2666 Bonita Street, whose husband is a building contractor states simply but positively that it's a combination of personnel and prices that appeal to her.

"I don't think I could shop anywhere the clerks didn't appear friendly and courteous. They're certainly more than considerate at Mayfair," she said.

When we hear compliments about our personnel . . . and that's the rule rather than the exception. . .

we hang our thumbs under the armholes in our vest, lean back and beam approvingly.

We know our prices are consistently lower, our variety greater, and merchandise fresher but the part that must be spontaneous if it's there at all is willing and happy personnel. When they're happy, you're happy, and when you are, we are too!

Who's Meeting —And Where

Idons Club: each Thursday evening at Michael's.
Kiwanis Club: each Wednesday Noon at Michael's.
Youth Control Board: first Monday each month at Youth Center.

Lemon Grove School Board Meeting: second Monday each month at the district's offices.
Fire Department Auxiliary: second Tuesday evening each

Lemon Grove Men's Club: Friday noon at Michael's.
Lemon Grove Chamber of Commerce: First Tuesday at 7:30 p. m. in Justice Court; third Tuesday at 12 noon in Michael's.

Lemon Grove Woman's Club: Meets the second and fourth Friday each month (Club House 2810 Main Street).
Lemon Grove Woman's Club Jr's: Meets the second and fourth Tuesday of each month.

(8 o'clock at the Woman's Club.)
Square Dance Class: Levis & laces every Wednesday. Clubhouse, 2810 Main, 8 p. m.

Vogue Section of Lemon Grove Woman's Club—1st and 3rd Tuesday of each month, 7:30 p. m. in Club House.
Lemon Grove Masonic Lodge U. D.—8263 La Mesa Blvd. La Mesa. Stated meetings 1st Monday of each month at 7:30 p. m. Special meetings Mondays and Fridays at 7 p. m.

Mt. Helix High Twelve Club every Thursday, 12 noon at Michael's.
Business Women's League—First Thursday at Michael's 7:00 p. m. Third Thursday at Michael's 12:30 p. m.

Lemon Grove District Teachers Association meets the fourth Thursday of each school month, 7:30 p. m., at district school auditorium.
L. G. Rotary Club—Monday

noon at Michael's.
San Miguel Chapter O.E.S. meet second and fourth Wednesdays at 8 p. m. in Friendship Hall.
Heartland Players—First and third Monday at 8 p. m. in Lemon Grove Jr. Hi

V.F.W. Post and Auxiliary: Second Tuesday each month. V.F.W. Hall, 8 p. m.

Lioness—Second Wednesday each month at Michael's.
Court Teresa of Avila. Catholic Daughters of America, first Tuesday of each month, 8 P.M., St. John of the Cross Auditorium. Lemon Grove Fire Commission, third Tuesday of each month, Fire house, 7:30 p. m.

Like Golden Rays of Sunshine, Coreopsis Will Brighten Lemon Grove Gardens

Few flowers will thrive in Lemon Grove under more adverse conditions and neglect than will golden flowered Coreopsis. One of the few mono-colored perennials that retains its popularity without any fanfare or publicity of any kind, other than the word of mouth type that keeps passing along the information that here is a good thing. And truly, Coreopsis is a good thing in many respects. Perennial in nature, a planting of Coreopsis will give years of garden color. Hardy, it will take terrific heat and freezing cold and bounce back with little ill effects. Drought resistant, it will survive long periods without water and so is fine for summer cabins and beach house planting or for use with hillside homes where adequate watering is generally a chore. Golden-yellow in color the bright splotch from a patch of Coreopsis is a cheerful sight in

annuals such as Petunias, Phlox, Verbena, Marigold and others will show to beautiful advantage against this blue and yellow backdrop. To fill in the area this fall and winter, logical choices would be Nemesis, Schizanthus, Godetia, Iceland Poppy, Pansy, Viola or Dusty Miller.

Little cultural information needs to be given concerning Coreopsis. It is wise to arrange the planting chart for the perennial beds and to get them planted as soon as possible. Perennials, in general, require a long period of growth to develop a good root system which is a requisite for a strong exception to this rule and so it is necessary to plant it now for best bloom next year. Drainage should be good and light soil is preferable, although it does not have to be rich. Actually, Coreopsis grows stronger and yields richer colored blooms in poor soil. Cultivation is not essential and spraying is only necessary in the case of an infestation of aphids. Otherwise, Coreopsis are almost pest-free. One or two soakings when the plants are first set should pretty well handle the watering problem as the roots grow deep and normal winter rains should keep them supplied.

Some other perennials that will match the sun loving and drought and pest resisting qualities of Coreopsis would be Alyssum Saxatile, Coral Bell, Geum, Gallardia, Dusty Miller, Shasta Daisy and perennial Scabiosa. Grouping such plants can mean trouble free beds that will give satisfaction for many years. Try this way to easier gardening with Coreopsis as a starter. All of these plants are medium growers except for the Alyssum Saxatile and the Coral Bell. These two will serve for border planting. For an all yellow bed try Alyssum Saxatile as a border with either yellow Geum or Coreopsis or a mixture of the two for a background planting.

Hit In Bribe Case

ACCUSED of accepting bribes, Mayor Thomas Flately, Erie, Pa., is arrested in cleanup of alleged wide open gambling situation. (International)

Mr. and Mrs. Orivel Brown have a combined total of 40 years with the Pacific Telephone Company, 18 of them in La Mesa, Forrest Dokken, local manager, announced recently.

"Brownie" has worked 25 years and Doretta has a total of 15 years. Orivel has a brother named Oliver. "They just switched the 'r' and 'l' of Oliver's name and that's how they named me," Orivel said. The couple has two daughters, Wanda and Muriel. Doretta is a member of the Woman's Club and Welfare Board of La Mesa; Brownie, together with his wife, is active in Masonic affairs.

SIX HOMES SET FOR CHRISTMAS FLOWER TOUR

The San Diego Floral Association offered a pleasant diversion for the Thanksgiving weekend in a Christmas tour of six houses and gardens, in Point Loma and Mission Hills last week. They ranged from Japanese modern to traditional in style and were decorated for Christmas with arrangements best suited to each house. With two exceptions, they were decorated by the owners, aided by experts of the Floral Association. Two top floral designers, Marjorie Rankin and Helen Dodds, made a special trip from Los Angeles to do the arrangements in the Ben Rubin house.

These homes are:
The home of Mr. and Mrs. John L. Eitel, in Point Loma, is easy to find, at the corner of Talbot and 977 Albion St. It is the smallest on the tour.

The L. L. Carringers have a triangular lot at Armada Terrace and 825 Harbor View Place.

Mrs. John Clark's house at 3243 Harbor View Drive, just a year old, also commands a view. It follows the Japanese trend indoors and out.

The ranch type house of the Leo Callands at 4455 Arista St., in Mission Hills, has an excellent floor plan for traditional living. The Ben Rubin house across the street at 4480 Trias, colonial in feeling outside, is a decorator's dream of color inside.

Dr. Mabel M. Colby's residence at 2119 Guy St. was the old home of the Chapman Grant family. Its windows frame a wonderful view of Point Loma.

Tickets may be obtained at any house.

George Farmer Takes Header from His Building

Replacing a bulb in a roof sign can be a shocking experience according to George Farmer, operator of the restaurant bearing his name at 7874 Broadway.

Holding to a guy wire, attached from the wall to the sign, George leaned out to screw in a new bulb. He toppled from the 12-14 foot high ledge, landing on his feet, when the guy wire gave way.

Considerable bruises but no broken bones were reported by Dr. Thayer Crow. George is sporting a pair of 1955 model crutches.

Telephone Co. Wants Increase to Match Wage Raises

Pacific Telephone filed a supplemental application with the California Public Utilities Commission in San Francisco for an increase in rate to meet the cost of higher wages recently granted. Forrest Dokken, manager for this district, said that if the increase were granted it would average about 10c per station per month.

The request covers only the wage increases recently made effective following the union wage settlement. The increase, though amounting to \$4,580,000 annually, would be relatively small in relation to the four million Pacific Co. telephones in California, Dokken pointed out.

STATE TEACHING POSITIONS OPEN AT Y. A. SCHOOLS

Civil service examinations for field crop inspectors and teachers were announced today by the State Personnel Board.

Junior field crop inspector has a monthly salary range of \$325 to \$395. Applicants may qualify with either two years of field crop experience or college graduation with major work in field crops or animal husbandry.

Recreation and physical education teachers will be hired at Youth Authority schools in Los Angeles and Ventura and at the California Men's Colony. The latter is open to men only.

Entrance salary ranges from \$341 to \$395 a month, depending on the teacher's academic qualifications. Examinations are also scheduled for district representative, department of social welfare, \$481-\$584.

Official application forms and additional information may be

California Utility Rate Said to Be Among Lowest in U.S.

SAN FRANCISCO—California rates, including Lemon Grove, for utility service continue to be among the lowest in the nation, as measured by a comparison of charges for gas, electricity and telephone services in the 25 largest cities in the United States, the California Public Utilities Commission announced today.

Commission President Peter E. Mitchell explained that total monthly charges are tabulated for assumed typical usage by a small household of 30.6 therms of gas, 75 kilowatt hours of electric energy and two-party telephone service. The rates are those

in effect on June 30, 1954.

Charges in Los Angeles totaled \$8.39, lowest among all of the nation's 25 largest cities. San Francisco charges for the same services were \$8.93, which were the second lowest. These were the only two among the 25 cities with combined monthly charges of less than \$9. Electric service in Los Angeles is municipally supplied.

The highest charge for the same quantities of gas and electric service and the same type of telephone service, is the \$17.30 per month paid by residents of Boston, Mass. New Yorkers pay \$15.69, residents of Newark, N. J., \$14.10, and in Philadelphia the combined charges amount to \$13.71 per month.

Mildred Hiner Joins Local Beauty Shop

Mildred Hiner, well known local beauty operator and hair stylist, has joined the staff of the Lemon Grove Beauty Shop, 3311 Imperial Ave., it was announced by Jean Parsons.

WOMAN'S CLUB VOGUE SECTION TO MEET FRIDAY

The Vogue Section of the Lemon Grove Woman's Club will hold a Rummage Sale on Friday, December 3. The sale will be held in the clubhouse starting at 9 a.m. Mildred Heath is chairman of the project, and will be assisted by Wanda Ross, Grace Hagen, and Jane Schmack.

BOOK AVAILABLE ON POSTAL REGULATIONS SAYS P. M.

New postal regulations and an understandable manual to explain them, is now available according to Lemon Grove Postmaster Frenchie Faucher.

The new postal manual will show that major new postal regulations effective at present will provide important changes and simplifications in the use of the mails, Faucher said. The manual

The next business meeting of the club will be held on Tuesday, December 6. Everyone is urged to attend this meeting to discuss Christmas plans. Coffee hostesses will be Wanda Ross and Bonnie Nelson.

will bring together in less than 300 pages regulations formerly scattered through 4000 pages of dense print.

The publication may be obtained for 65c from the superintendent of documents, Washington 25, D. C.

The new publication is remarkable for its simplicity and is printed in easy to understand English, Faucher pointed out. It is so simple that if a shipping clerk for example in a small business is absent, other employees may get a ready understanding of postal rules from the publication.

Slate Given for Grove Neighborhood Group's Officers.

The Lemon Grove Neighborhood meeting was held at the Lemon Grove Youth Center recently. The meeting was opened by Mrs. F. O. Johanson. Twenty-five members were present, and the District Director, Miss Eleanor Asherfield, was present.

A general meeting was held. A discussion was held concerning the incoming slate for the coming year, to be elected in December.

The slate is as follows:
Chairman, Mrs. F. O. Johanson.
Vice Chairman, Mrs. Gloria Palaski.

Secretary, Mrs. Dell Cole.
Treasurer, Mrs. Dorothy Boltz.
Brownie Coordinator, Mrs. Carmel Rehberger.

Intermediate Coordinator, open.
Welfare, Mrs. Neils Anderson.
Historian, Mrs. Mary Rios.
Corresponding Secretary, Mrs. Betty Lane.

There will be a short business meeting on December 16, followed by a Christmas party.

After the close of the meeting Mrs. F. O. Johanson taught songs and games to the new leaders, and had coffee clutch served by Mrs. Ruth Johnston and her committee.

Congressman Utt Gives Information for Small Businessmen

Small businessmen who are interested in obtaining government contracts are now provided with a "one-stop" Procurement Information Center in Washington, D.C., according to an announcement by Congressman James B. Utt (R-28th Dist.).

Current Department of Defense bid invitations for supplies and services and bid invitations of other federal government departments are available for examination. These include only those on which the government intends to award contracts to small business. This obviates the necessity of studying a large number of invitations which would be beyond the scope of the small businessman.

A procurement specialist is on active duty in the office located in Room 401 of the Lafayette Building, 811 Vermont Ave., N. W., Washington, D. C., from 8:30 a.m. to 5:00 p.m. Monday through Friday. No appointment is necessary and interested parties can either appear in person or telephone Sterling 3-2858, extension 651.

Congressman Utt reports that this is an additional facility established by the Small Business Administration in a further effort to help the small businessman get his share of government contracts.

L. G. LAUNDROMAT CHANGES HANDS

The Lemon Grove Laundromat at 7857 Broadway, has been purchased by Mr. and Mrs. Glenn Woodworth. They bought it from George and Peggy Bidwell. Woodworth is a former Qualitee dairy employee. His wife, Alice, is a telephone operator with the Chula Vista School System. The couple has a daughter, Margaret, who will also assist in the Laundromat on Saturdays.

No changes are contemplated in the operation of the firm. Dry cleaning will be handled in addition to finished laundry.

FIREMEN TO COLLECT FOR MUSCULAR DYSTROPHY

Members of the Lemon Grove Fire Department will make house to house calls during December to collect Muscular Dystrophy funds. It is part of a nationwide effort to raise money to help combat the crippling disease.

Harry Alexander and Captain Joe White of the Fire Department are co-chairmen of the event. Firemen, fire auxiliary and call men will also assist.

Mrs. Louis Nicoud, S. F. stock and bond saleswoman—"The possibilities for women in securities are terrific. Men as well as women are willing to discuss their investment problems with a woman."

obtained at Department of Employment offices on Columbia Street.
